

## **WAIVER OF LIABILITY**

Spa-Francorchamps Circuit – 25.09.2024

Article 1 : Declares by this letter his intention to enter, with full responsibility, the event-day activities, with its risks and perils, and thus irrevocably relinquishes all appeals of any kind for himself and all of his claimants against the Circuit de Spa-Francorchamps, the site owner, subordinate employees, other participants, official representatives and volunteer helpers, as well as against the insurers of the persons, companies or entities named above.

Article 2: Acknowledges that the exclusion of liability referred to in Clause 1 extends to employees, other participants, official representatives and volunteers, including for what is committed by their deliberate act, except, and only as pertains to employees or authorised agents, for customers considered consumers as defined in Article 1, No. 7 of the Belgian Act of 14 July 1991 on Trade Practices and Consumer Protection.

Article 3: Consents that the exclusion of liability applies to both contractual and extra-contractual liability; that it refers to physical, material, as well as moral damage regardless of whether said damage is unforeseeable or indirect, excluding the death of the consumer as defined in Article 1, No. 7 of the Belgian Act of 14 July 1991 on Trade Practices and Consumer Protection, as well as bodily damage caused to the consumer.

Article 4: Acknowledges that the exclusion of liability applies to ordinary neglect, whether accidental or routine, as well as gross negligence, except, and only under this latter hypothesis, for customers considered consumers as defined in Article 1, No. 7 of the Belgian Act of 14 July 1991 on Trade Practices and Consumer Protection.

Article 5: Pledges to respect under all circumstances the commands of the staff marshals, official representatives, organisers and operators of the site, both during the preliminary briefing preceding the incentive and during the event, and in this respect, he recognizes to have received a Safety Briefing.

Article 6: Acknowledges his sole responsibility for his actions and endorses the responsibility for his passengers.

Article 7: Declares himself to be responsible for any damage occurring to the facilities, and especially to the race course guard rails (350 EUR TTC per rail + 200 EUR TTC administrative costs per accident) and commits himself to reimburse the resulting costs on the basis of the estimate drafted by the Circuit de Spa-Francorchamps.
